

# YOU CAN ENSURE EVERY CHILD HAS THE BEST SHOT AT A FULL & HEALTHY LIFE

Canadians called on their Government to reduce child mortality. They did this by:

Publishing Letters to the Editor

Taking to Social Media

Sending letters to their MPs and Decision-Makers

Meeting with their Members of Parliament

The result? Canada pledged to Gavi, the Vaccines Alliance

Gavi works to ensure that the poorest have access to affordable, equitable, life-saving vaccines

How has this helped the world's children?

**500 Million** children immunized

**7 Million** child deaths averted
